Our site uses cookies to distinguish you from other users of our site. This helps us to provide you with a good experience when you browse the site and to improve it.

A cookie is a small file of letters and numbers that we store on the hard drive of your computer or device if you agree.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our site. They include, for example, cookies that enable you to log into secure areas of our site or use a shopping cart.
- **Analytical/performance cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our site when they are using it. This helps us to improve the way the site works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies.** These are used to recognise you when you return to the site. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
